SEMI-WEEKLY—TUESDAYS AND FRIDAYS

Upland Servicemen
Are Proud of Upland's
War Bond Record

VOL. LI. UPLAND, CALIFORNIA, TUESDAY, JULY 10, 1945. NO. 20

Resuscitator Presented to City Officials

Last night in the city council chamber, the Upland police reserves made presentation to the city of a combination resuscitator, inhalator and aspirator.

The machine, housed in a black metal suitcase, was delivered by Joe Seitz, president of the reserves, to City Councilman Ray R. Sherwood and Harry M. Wright, City Manager Richard G. Manley, Police Chief Eugene L. Mueller and Fire Chief Howard C. Paulin.

USES DEMONSTRATED

Equipment attached within the suitcase were two oxygen tanks, two mouthpieces with connecting hose, valves to regulate the functioning and incidental materials.

Use of the machine was explained and demonstrated by Roy M. How, anesthesist representing the E. J. Manufacturing company of Glendale.

Three lever positions make possible the operation of the unit either as resuscitator, inhalator or aspirator. As a resuscitator, the machine provides artificial respiration by putting oxygen into the lungs then drawing it out; as an inhalator it provides oxyen and the patient exhales, and, as an aspirator, it employs suction to draw mucus from the throat by use of a tube.

Mr. How declared manual artificial respiration should be given until the arrival of the resuscitator and that the equipment should be used as long as there is even a remote possibility a patient may be revived.

SERVES MANY NEEDS

The resuscitator can be of aid to any person who is not breathing, he said, adding its principal uses are in cases of electric shock, drowning, gas poisoning, heart failures and respiration needs of new born babies.

Masks attached to the tubes come in two sizes and are balloon flated to fit any face. The equipment can be employed simultaneously on two persons.

Mr. Seitz in making the presentation declared "if this equipment functions properly once, it will more than pay for itself."

He paid tribute to the work of the committee negotiating the purchase and raising the funds. They were Harold Barbour, chairman, Earl Head, Oris Heinauer, Everett Carter and Chief Paulin.

PROTECTS LIVES

Mr. Barbour declared that in the police reserve training the chief of police has always emphasized that protection of lives and property is the primary police department function.

"Here," he said, "we have an outstanding example of the le to which our police and fire departments are going to protect and save lives."

The resuscitator was demonstrated at a joint meeting of the police reserves and volunteer firemen, with 46 men and two women present.

Trustees Providing Chair for Fred Draper at Hearing

Last night, when members of the Upland board of school trustees were discussing the budget hearing scheduled August 7, Allan S. Barr, board clerk, inquired whether the meeting should be conducted in the Elementary school auditorium or whether the board room in the Elementary school office would be suffiicently large to accommodate the throng.

Howard N. Mason, board president, replied that in the past seven years, a public hearing has been attended only once and then only by one person, Fred Draper.

So the public hearing August 7 will be held in the board of directors' meeting room and an extra chair will be provided, just in case.

Former Uplander Dies in Washington

Upland friends have received word of the death of Mrs. Frances Nesch, former Upland resident, who passed away Sunday at the home of her daughter, Mrs. Dorothey Mortonson, in Kent, Washington.

Mrs. Nesch at one time operated the Seven Oaks camp in Bear canyon, and later resided at 243 South Third avenue before going to Washington to make her home with her daughter.

1641 AIRPLANES "RESTING" AT CAL-AERO WAITING FOR PUBLIC AND BUYERS

Sixteen hundred and forty-one airplanes—some very much war weary and some only well broken in—are on display and in storage today at Cal-Aero, the once busy field on Euclid avenue south of Ontario.

The field is still the center of much activity, but different than when pilots by the hundreds were being trained to carry the war to the enemy across the oceans. Now, some of those planes that perhaps carried the Cal-Aero pilots in direct battle with Germany, are at Cal-Aero for government storage. In general only training planes are being offered the public for sale. Combat airplanes are being held at Cal-Aero by the Reconstruction Finance Corporation.

The planes available to purchasers are displayed on the field and are easily accessible to the general public. A limited number of combat palnes may be seen by interested persons providing guards are available to accompany visitors, according to J. Q. Myers, assistant manager for the RFC. Howard Rice is the RFC representative.

Mr. Myers said that several of the planes had been on from 25 to 40 missions in Europe and that battle marks were discernible. In general, however, most of the planes were used in the training program and are being kept here until sold or until the war department calls them for use.

Price range of the planes is from $875 to $1950, the official reported.

Among the planes offered the public for sale are Cessna-78, AT-10, Ryan's PT-22, various airline models made by Lockheed, Vultee's BT-13 and gliders.

Damaged planes are being dismantled and the parts are offered the public.

Planes may be seen any day in the week.

$604 Contributed For Resuscitator; More Gifts Seen

Contributions to the Upland [illegible] reserve resuscitator fund [illegible] night totaled $604, Harold Barbour, chairman of the reserves' purchasing committee, announced.

He said more contributions are expected this week and that shock kit and accessories will be bought.

Additional donors, not previously reported, are:

$25—Ladies Auxiliary of American Legion.

$10—Fred Allen, Lonnie Blanton, Ray R. Sherwood, John A. Dennis, Bill Williamson, Richard G. Manley, Eugene L. Mueller, Joe Seitz, Lee Bigley and Howard Paulin, Cecil Chambers.

$5—Old Baldy post of Veterans of Foreign Wars, C. S. Kelly, William F. Goalby, Spencer Smith.

$2 — Clarence Byer, George Culver.

$1—Harvey McMasters, C. A. Mitchell.

Bond Total Here Is $891,261

Total in the city's seventh war bond campaign advanced to $891,261 by July 7, the official date for closing of the first drive for financial war aid in 1945.

This figure includes $30,96[illegible] which was invested by Kaiser Co. employees in Upland and contributed at the steel mill and allocated by authorities there to Upland's credit.

John W. Shepperson, general chairman of the drive here, highly commended the Kaiser employees for this participation.

Total invested by individuals during the campaign was $690,131 while corporations supported the drive to make a total of $211,130.

Upland's quota was $400,000.

17-Year-Old Pomona Boy Arrested for Intoxicated Driving

A 17-year-old Pomona boy was arrested by sheriff's deputies Saturday night and committed to the Upland jail on a charge of driving while intoxicated.

He was arrested at 9 o'clock on Foothill boulevard east of Campus avenue. The deputies reported they found a case of empty beer bottles in the car.

Two other 17-year-old boys and one 16 years of age, all of Pomona, were passengers in his car.

Mrs. Eva Anderson of Los Angeles is enjoying a visit of several weeks with her son-in-law and daughter, Mr. and Mrs. H. Bruce Claflin, at their home, Park Boulevard, San Antonio Heights.

War Stamp Chain Letters Received; Warning Issued

War stamp chain letters have been received and mailed in Upland —and that's illegal, according to Postmaster Orton P. Brady.

Chain letters have been reported in other cities and warnings have been issued. Government spokesmen have described war stamp chain letters received in this area purporting to bear the approval of Uncle Sam.

Any chain letter for whatever purpose is considered fradulent under section 2350 of the postal laws and regulations, it is pointed out.

THREE BUILDING PERMITS ISSUED

Building permits have been issued since Friday to Paul Bodenhamer, 2095 Mountain avenue, to re-roof a dwelling; to Mrs. Irene Douglas, 1171 East Ninth street, to repair termite damage, and to Mrs. Mary Sampson, 268 North First avenue, to repair a roof.

Public Hearing August 7 on School Budget

Public hearing on the Upland school district 1945-46 budget will be held in the Elementary school board of directors' room Tuesday evening, August 7, at 7 o'clock, the trustees decided last night.

Next year's budget totals $137,175, but only $48,568 will be collected from tax levies.

The tax rate will be increased four cents from 86 to 90 cents per $100 of assessed valuation to provide an addition to the Elementary school and increase teacher salaries.

The tax increase to 90 cents, the maximum legal limit which may be assessed without a special election, will enable the trustees to build two additional classrooms and a lavatory on a "pay-as-you-go" basis without a bond issue and the whole construction cost will be paid during the year.

The $88,607 budgeted expenditures not levied in taxes will come from the following sources: from state payments based on average daily attendance, $67,114; from Chaffey school district for rental of ninth grade classrooms, $2880; from an unincumbered credit balance, $18,613.

Budgeted expenditures are administration, $4500; teacher salaries, $69,625; other instruction expense, $4950; operation of school plant, $19,000; maintenance of school plant, $5600; auxiliary services, $6600; fixed charges, $1850; capital outlay, $18,000; civic center activities, $50; undistributed reserve, $1000; general reserve, $6000.

Members of the school board are: Howard N. Mason, president; Allan S. Barr, clerk; and Mrs. Ralph T. Mitchell.

Kaiser Protests Tax Assessment

San Bernardio county board of supervisors will meet as a board of equalization to consider protests of Kaiser steel mill and four other industrial concerns against Assessor Max A. Cranmer's proposal to levy higher assessments on their holdings in the county this year.

Henry J. Kaiser has petitioned the board to reduce the assessment on his property in the county from $15,189,100 to $8,000,000. Kaiser's 1944-45 valuation was $10,200,000.

Four cement and chemical companies are protesting Mr. Cranmer's proposal to place assessments for the first time on their mineral rights. Last year Mr. Cramer made a similar proposal but it was denied by the board.

The four companies are California Portland Cement Co., American Potash and Chemical Co., Southwestern Portland Cement Co. and West End Chemical Co., whose assessments total more than $1,000,000.

The board of equalization will meet Friday morning at 10 o'clock.

Upland Lions To Play San Antonio Tonight

Upland Lions, undefeated leaders of the Cub Scout baseball league, will play San Antonio tonight at John Galvin park, the game starting at 5:30 p. m. South Euclid will meet Central in the second game of the double-header.

Last Friday evening the Upland Bears went on a slugfest to pile up 28 runs against Fontana, the latter getting 14. In the second game last Friday, Lincoln trimmed Upland Wolves 13 to 7.

This coming Friday evening, the Upland Bears and Wolves will clash in the second game of a double-header at Galvin park.

IOOF Appointive Officers Named

Appointive officers to be installed tonight for six months terms in Euclid lodge, I. O. O. F., were announced today by A. J. Robinson, noble grand-elect.

Mr. Robinson will be seated at noble grand, succeeding his son, Everett Robinson, and William Goalby will take office as vice grand, succeeding N. R. Jamieson.

Appointive officers will be Ralph Collier, warden; Olen Collier, conductor; Henry Taylor, chaplain; Dick Allen and Chester Reinecker, right and left supports to the noble grand; Hershell Skeeter, outside guardian; Niles Katt inside guardian; Pryor Cate and Watts Cate, right and left supporters to the noble grand, and Homer Washburn and Don Beard, right and left supporters to the vice grand. David Jones has been appointed drill captain.

Chester H. Gooch of Baldwin Park, district deputy grand master, will be the installing officer. The ceremony will be open to the public and members of Silver Link Rebekah lodge have been specially invited to attend in evening dress.

Airplane Tires Will Be Sold in Ontario

Airplane tires suitable for use on tractors, automobiles, wagons, trucks and farm implements will be sold at 810 East Main street, Ontario, July 23, the office of surplus supply, department of commerce, announced.

William Gilliland Honored by Lions

William Gilliland, who is steadily advancing in Lions club offices, has been named deputy district governor of the organization and has been placed in supervising charge of 15 clubs in the "south citrus area."

The Uplander is a former president of the local club and last year served as zone chairman. His new appointment is a recognized advancement and places him in a highly responsible position in the service organization.

He will represent the district governor in the area from La Verne to Riverside and Hemet.

Chaffey Plunge Attendance Large

Capacity crowds filling Chaffey plunge almost every afternoon are establishing a new attendance record, Fred A. Clapp, manager, reports.

The Chaffey swimming pool is open every morning except Sunday between 10 a. m. and noon and every afternoon from 1 to 4 o'clock.

Morning swimming is not yet as popular as an afternoon dip but crowds are generally large all the time, he states.

The plunge will be open for night swimming to groups of 30 or more and with the coming of warmer weather it is anticipated many organizations will take advantage of the opportunity.

Los Olivos Sells $360,000 Notes At .44 Interest

Upland Housing authority at an open meeting this morning sold $360,000 of Los Olivos notes to Chemical Bank and Trust company of New York and will pay an interest rate of forty-four hundredths of one per cent, Mrs. Douglas Black, project secretary, reported.

The New York bank was represented by Frank K. Nichols, manager of Upland branch, Bank of America, which holds membership in the Chemical Bank and Trust company.

The interest rate Upland Housing authority will pay is regarded as exceptionally low, Mrs. Black declared, inasmuch as the authority paid .62 of one per cent last year.

Two bids were opened at the meeting at 10 o'clock this morning in the Los Olivos administration building. The second was submitted by the Bessamer Trust company of Jersey City, N. J., and offered to purchase the bonds at an interest rate of .45 of one per cent.

Four commissioners of the Upland Housing authority and a San Francisco lawyer representing the federal public housing authority attended the meeting. The commissioners were Alan Couch chairman, Everett W. Henry, W. A. Gilliland and Dr. Lillian F. Baxter. The lawyer was J. E. Prisin-Zano.

The notes are secured only by the Los Olivos project and do not cover the Parkside project, leased from the federal government.

The Los Olivos housing project cost was $376,000 and notes in that amount were issued last year at the .62 of one per cent interest rate. The housing authority reduced the indebtedness $16,000 in the past year.

Mrs. Black reports that today was the third time Mr. Nichols submitted bids to purchase housing authority notes, first in 1943 and again last year, but that this is the first time the successful bid has been brought in by the Upland business man. Mr. Nichols was present at the meeting this morning.

Cucamonga Club Installs Chappel

Fred Owings, "mayor of Cucamonga", last night installed Clifton Chappel as president of the Cucamonga service club at a dinner and dance at the Sycamore Inn.

Mr. Chappel, zanjero of the Cucamonga Water company, succeeded John MacPherson, Cucamonga rancher, in the leadership of the service club.

A. Ravn took office as vice-president and I. F. Nichols as secretary-treasurer.

Mr. Owings, Cucamonga barber, is one of the pioneer members of the club and one of the community's long-time residents. The installation dinner was attended by upwards of 150 persons.

Installed as directors were Ralph T. Santolucito, Ancil Morris, R. L. Thomas and Messrs. Chappel, MacPherson, Ravn and Owings.

Mueller To Preside First Time at Rotary Meeting

Eugene L. Mueller, newly installed president of the Upland Rotary club, will preside at the meeting of the group for the first time tomorrow, Mr. Mueller was installed a week ago.

The Upland police chief will succeed E. Birch Harrison as leader of the club.

School Directors May Tackle Task of Finding Houses for Teachers Coming Here From East

Upland school district board of trustees last night looked ahead to September and two wartime problems: the manpower and housing shortages.

Harold W. Cook, district superintendent, told the trustees that an effort will be made to employ bus drivers next term. Last year teachers drove the busses, but the expediency was not entierly satisfactory, as the drivers also had charge of after-school sports events and extra-curricular activities.

Whether teachers coming to Upland from eastern cities will want houses, apartments or rooms is not yet known, but the trustees' problem is now to find quarters and then hold reservations on them. But the school directors did decide help would be given in finding housing if requested.

A further problem, from the teachers' standpoint, Mr. Cook related, will be obtaining transportation to Upland, in view of civilian travel curtailment to the west coast.

Federal Works Agency to Pay $1595 Of Upland School Architects' Fee

Federal works agency of the United States government has agreed to pay $1595 of the architects' fees for plans and specifications required for the addition of two classrooms and a lavatory to the Upland Elementary school, Harold W. Cook, superintendent, told the Upland school district board of trustees at their meeting last night.

Marsh, Smith and Powell of Los Angeles, designers of the Upland Elementary school, will also design the additional construction.

The architects' fee, Mr. Cook said, will be eight per cent of the actual construction cost. The construction cost is estimated at $24,000, the fee on which would be $1920.

In agreeing to pay the $1595, Mr. Cook told the trustees, the government recognizes only designs for "Class C" buildings, whereas Upland's is "Class A." But Upland school district is permitted to accept the government money and pay the difference itself, approximately $325.

The $1595 is included within the $10,000 allocated the Upland school district by the federal works agency, Mr. Cook said. Costs will be pro-rated on the basis of $10 paid by the government for every $10 paid by the district up to the $24,000 total for both.

Mr. Cook told the trustees an inspector of the division of schoolhouse planning of the state department of education will be in Upland this afternoon to inspect the site of the class-rooms and lavatory addition.

It is not anticipated that actual construction will get underway before September, he stated.

Building of the two additional rooms and lavatory was made necessary because of huge increased enrollments when Parkside housing project was completed and occupied.

Emergency Wing Is Hospital Plan

Construction of an emergency wing at the San Antonio Community hospital is being given preliminary consideration and the board of trustees last night authorized the preparation of building plans.

The proposed wing would be placed on the north side of the building. Plans also call for enlargement of the surgery facilities, according to Dr. A. A. Aita, superintendent, who was authorized to have the plans prepared.

Dr. Aita also announced an anonymous receipt of $1000 to be applied toward cost of the new wing.

Sketches of the proposed addition are to be completed within two months and will be studied by the hospital trustees.

Included in the proposed addition will be two accident rooms, one private room, two semi-private bedrooms. Dr. Aita did not reveal the plans for enlarging the surgical unit at the hospital.

The proposed addition is in keeping with the hospital's plan of providing adequate service for the community and follows by only a short time completion of the Charles V. Barr pavilion.

Hjalmar Andersons Buy Auto Court In Oregon

Mr. and Mrs. Hjalmar Anderson, long-time Upland residents, have purchased Clem's auto court, an 11-unit motel and residence at Junction City, Ore., and Mr. Anderson has gone north to assume charge of the property. Mrs. Anderson plans to go north soon and their son, Hjalmar, Jr., will complete his Chaffey high school course at the end of the summer school and he will join his parents at that time.

The student will enroll in September at the University of Oregon, Junction City being about 25 miles from Eugene, the university town.

Mr. Anderson recently sold Anderson's market, which he had owned for 25 years.

No Winners in Dividend Funds

It was a poor week-end for participants in the two bonus merchandising funds.

Mrs. John Gardner, 875 East Ninth street, missed winning $65 in the food fund and Mrs. L. J. Ware, 1426 East Ninth street, lost $69 in the Saturday dividend day fund.

Of course, that means the funds will be increased for next week's offer.

As is customary Wednesday and Thursday will be food days in Upland and food stores advertising in today's Upland News are eligible to issue sales slips. An address will be selected from The News' complete residential directory and $75 will be offered to the persons living there.

The sum of $95 will be in the jack-pot for Saturday's buying at the stores participating in the dividend day plan.

Mrs. Alice M. Foster of Boston, Massachusetts, is spending several weeks with her father, Dr. A. J. Colgan, and Mrs. Colgan at their home, 469 North Second ave.

Local Firms Make Improvements

Several Upland firms have made improvements to their stores, expanded their facilities and added new equipment.

Lee Bigley, who operates a food store at 161 East Arrow highway, has added a large refrigeration unit and an additional display meat case. Bill Goalby is manager of the meat department and increased business in this department and throughout the store made necessary larger and additional facilities.

The Southern Electrical Service, operated by Earl E. Marsh, has rented an additional store building to handle its commercial air units. The store room is in the south end of the Upland Transfer & Storage Co. building. The service firm has two large rooms at 114 Second avenue.

Recent improvement of the Arrow Market in an addition to its building is attracting attention and customers. Dan Hemsley is proprietor of the market.

Expansion of the McFadden store and opening of a gift shop in the building immediately north of his 5-10-25 cent store has resulted in increased activity. An archway connects the store and gift shop. I. T. McFadden, proprietor, made the additional space available in order to add the gift shop.

Additional space has also been provided by The Upland News. The rear portion of the office used by the selective service board has been made available for The News' printing department. A portion of the wall of the adjoining building has been removed to provide for the additional space.

Red Cross Swimmers To Be Given Chance To Complete Tests

Fred A. Clapp, manager of Chaffey plunge, announced today that boys and girls enrolled in the Upland Red Cross course of swimming instruction may report to the plunge next Saturday morning for additional instruction.

Registration in the Upland class was 75, but, because of cold weather, attendance dropped considerably during the last two days he said. The instruction was given for six days last week.

Those who did not complete their tests will be given opportunity to qualify for certificates and those who finished their course will be given further instruction Saturday morning, he stated.

Mr. Clapp said the boys and girls will pay regular plunge admission but that the instruction will be free.

198 Enrolled in Chaffey High School Summer Session

The school bell rang yesterday morning for 198 boys and girls of the Chaffey district.

Yesterday morning at 8 o'clock, the Chaffey high school six weeks summer session got underway. Courses are given four hours until noon and there are no afternoon classes.

Olof Snyder, Chaffey high school vice principal in charge of summer classes, stated the studies are intended primarily for students desiring extra credits and for those who wish to make up work failed during the school year.

Dormitory for Beulah College To Be Built Soon

Actual construction of a boys' dormitory for Beulah college is scheduled to be started within a few weeks as the result of plans made by the college. The War Production Board has granted building priorities.

President Jesse F. Lady made the announcement today concerning the dormitory building—this being one of at least two major structures contemplated in an expanded building program for the local college.

Dewey Harnish, architect, is preparing detailed construction plans for the dormitory and President Lady expressed the belief work would be started "within a few weeks and we hope to have it finished by early in the autumn".

The dormitory will be located on the south side of Alpine street, a short distance west of San Antonio avenue.

Early completion of the structure is sought in order to accommodate the anticipated increased number of students.

President Lady has just returned from the east and mid-west, where he made solicitations for students for the college and for funds for the dormitory. He reported the outlook bright for more students and the response as very good for funds.

At a later date announcement will be made of the detailed building plans.

The college authorities announced some time ago that definite plans were being made for the construction of an auditorium-commons building to serve the college, the students and the community. Definite announcement as to the detailed building program for the auditorium may come later, and it is known the college authorities are optimistic over the outlook for additional facilities to accommodate the rapidly growing student body.

300 Enjoy Upland Cub Scout Pack Picnic Saturday

"Free hot dogs — all you can eat", were offered Upland Cub Scouts at their picnic Saturday afternoon in San Dimas park, and the supply was not exhausted.

Upwards of 300 Cubs, fathers, mothers and committee personnel attended the outing from 2:30 until 8:30 o'clock. A feature of the athletic program was a baseball game pitting the Cubs' mothers against the fathers, with the Cubs in the cheering section.

Earlier, the Cubs had played the committee members at softball and had participated in races and a tug-of-war for war stamps.

Free hot dogs, ice cream and punch were provided from funds earned by the pack and the wonder was that the committee, headed by Nevin R. Jamieson, was able to provide sufficiently. But it did

Assisting Mr. Jamieson on the picnic committee were Lee Bigley, Travis Losson, Charles McKellar, James Martinez and John Keefer. Athletic events were directed by Assistant Cubmasters Richard Allen, Harold Anderson and Marland Sefton. Mrs. Marion Maxwell led community singing and E. Cortez, 800 Portillo street, provided a truck for transportation.

Daniel Boone Buys Upland Residence

Daniel Boone, manager of the Safeway store here, has purchased the residence at 1192 East Ninth street and he and Mrs. Boone and two children will soon occupy it. The family has been residing in Los Angeles and he was recently appointed manager of the local store after long experience with the Safeway organization.

The house was purchased from T. W. Gallaugher, who plan to move from Upland to Glendale in the near future.

221 Dog Licenses Issued Since July 1

Upland police department up to noon today has issued 221 dog licenses, I. J. Linkey, license officer, reported.

All dogs must be licensed annually, the year beginning July 1. Last year 505 dogs were licensed at the Upland police office, the record shows.

Entered as Second Class Mail at Upland, California

All Get a Raise, and Everyone Is Glad of It—

Members of the Upland post office staff are very grateful for the help given by local people in urging our legislators to pass the bill providing for increased pay. And people in the community who daily see the hard working men are glad that finally official consideration has been given them.

Postal workers, with the exception of the postmaster himself, will participate in the increase as the result of the legislation. The postmaster also gets an increase through the fact that the Upland office is now rated "first class".

No public office renders a more personal service to the people than the post office, as symbolized by the letter carriers. The people want those who transmit the mails to be fairly paid.

Big Three in Berlin; Truman Not At Disadvantage—

It is ironical that the Big Three are meeting near Berlin, the city that was to have been Adolf Hitler's capital of the world.

The question has been asked: Why was Berlin chosen for this conference? At least two reasons seem obvious: First, it will serve to further impress on the Germans that they are a beaten nation. Second, it was probably as far as Stalin would go from Russian soil.

It is not likely that the German people will see much of the distinguished visitors. Precautions for the safety of the three leaders will be greater than ever before.

Although this is President Truman's first meeting with Churchill and Stalin, he should not be at any marked disadvantage. He has learned to know them far better than they could learn of his characteristics and traits.

Both Chudchill and Stalin should be aware that President Truman has won the overwhelming confidence of the American people and that he has their solid backing.

Many vital and perplexing problems confront the Berlin conference. But with relations between Russia, Britain and America definitely on the upgrade, the meeting should strengthen the foundation for a lasting peace.

What Is Needed— Good "Upland" Signs—

A visitor in Upland, impressed with the appearance of the community, was asked what more could be done to help improve the city and to make it more distinctive. He replied:

"How about signs along the boulevards, are there plenty of them?"

The answer is no. But the visitor struck a point that is sadly lacking. Upland is a very fine community, but Foothill boulevard motorists can pass it right by and hardly know a community exists.

"Upland" placed distinctively on attractive signs at entrances to the city is one major promotional need here.

Bank Business Nearly Doubles Here in Year

Report issued last week by Ruth Hilborn, acting manager of the West End Credit bureau, showed Upland bank clearings at $1,343,700, nearly doubling business of a year ago when the figure was $718,352.

Upland-Ontario-Chino clearings neared the five million dollar mark, reaching $4,999,546, an increase of $1,583,416 in 12 months.

Ontario banks reported $2,800,784, gaining $584,007.

The summer sun is so hot in Iraq that date palms are planted to shade the orange trees.

Local Funds Help to Aid War Victims

Work of American relief in many of the war-devastated countries in Europe is supported by the national war fund through contributions to community war funds such as the Upland war chest and welfare fund, County Chairman Jesse W. Curtis, emphasized today.

He has a report that American-made stoves, which saw service in relieving the distress during the bombing of England are now being used in Holland.

Oranges received on the Los Angeles wholesale market in 1944 exceeded two million boxes.

Chaffey Budget Hearing Aug. 3

Public hearing will be conducted Friday evening, August 3, on the Chaffey school district's $1,117,285 budget for the 1945-46 school year, Gardiner W. Spring, high school superintendent and college president, announced.

Of the $674,159 for the high school and $473,159 for the college next year, less than one-third will come from local taxation, he said.

The tax charge will be $248,782 for the high school and $74,735 for the college while the remaining $828,768 will come from federal or state sources or from funds carried over from preceding years.

"Chaffey closes the fiscal year in the best financial condition the district has ever known," Mr. Spring stated. "There is a balance on hand of half a million dollars, $210,000 for the high school and $319,000 for the college."

Comparing the Chaffey tax rate with assessments made in adjoining districts, he declared the latest available, 1943-44, show Chaffey high school's rate was 65 cents, Pomona $1.26, Redlands 94 cents, Riverside 80 cents and San Bernardino 94 cents.

Junior college tax rates for the same year were Chaffey 22 cents, Fullerton 39 cents, Riverside cents, San Bernardino 18 cents and Santa Ana 11 cents.

For the coming year, Chaffey's rate will be the lowest in the county, 69 cents for the high school an 18 cents for the college, Mr. Spring said.

NEBRASKA PICNIC

The Nebraska annual summer picnic will be held Saturday, July 14, in Bixby park, Long Beach, according to Paul S. Dietrick, president. The Long Beach Municipal band will play at 1 o'clock, and F. C. Meyer of Omaha will speak on "Nebraska Prosperity." Food will be for sale on the grounds.

Ontarian Pays $150 Fine for Drunk Driving, Collision

Involved in an automobile collision Sunday evening, John Morales Copas, 24, of Ontario, was fined $250 in Upland city court yesterday morning on a charge of driving while intoxicated.

One hundred dollars of the fine was suspended and he was released upon payment of $150. The alternative was 125 days in the county jail.

Copas was driving southward on Third avenue at 8 o'clock Sunday evening when his car struck one driven eastwardly on Ninth street by Frank Bethel Titus, Jr., 1655 West Ninth street.

Paula Arroyo of Chino, a passenger in Copas' car, was taken by Stone ambulance to San Antonio Community hospital, where she was treated for bruises and then released.

The cars driven by both Copas and Titus were damaged slightly and were taken to an Upland garage.

Upland police officers arrested Copas on the charge of driving while intoxicated after he failed to pass a sobriety test.

Upland Ninth Grade Gains 18 Pupils in Daily Attendance

Average daily attendance in the ninth grade at Upland junior high school the last school year was 95.49 students, Gardiner W. Spring, superintendent, announced, a gain of 18 in 12 months. For the preceding year, daily attendance averaged 77.27.

Chaffey high school gained 127.99 students in daily attendance while the college lost 168.09.

Average daily attendance for the Chaffey schools was 2312.36 in the year just closed, with 570.90 units credited to the college and 1741.46 to the high school.

Of high school attendance, 1632.18 is credited to the Chaffey campus and 13.79 to the continuation school. A year ago, the figures were 1528.92 and 7.28.

College attendance of regularly enrolled students has begun to rise from its wartime low of 216.6 reaching 249.13 this year. More than half the college attendance comes from special adult classes, he revealed.

Read the classifieds.

Permit Required To Change Job

Selective service board registrants under 38 years of age must obtain draft board permission to change jobs, Edgar C. Pierce, clerk of the Upland board, reports.

Men leaving employment without Selective Service board approval must be classified A-1 under new regulations, he stated.

The Upland quota for July will be approximately the same as in the past three or four months and is running about 20 monthly, he said.

COLLEGE HEIGHTS

Charles L. Higgs, formerly of Pomona, is building a new house on Central avenue between Huntington avenue and Arrow highway.

Mrs. Merl D. Kough, West Arrow highway, has returned home from Norman, Oklahoma, where she went to attend the graduation exercises of her son, Kenneth, of the navy, who completed a five months' course at the aviation technical training center there.

Miss Juanita Berry and Carl Williams of Ontario were guests last week of Mr. and Mrs. R. R. Burrows, 375 Hervey avenue.

Lt. Henry Gilbert White, who is stationed at Monterey, spent the week-end with his parents, Dr. and Mrs. F. J. White, at their home, 377 Drake avenue.

Mr. and Mrs. John Herman Moore and small son visited friends in College Heights last week.

The Neighborhood club will meet Wednesday at the home of Mrs. J. E. Cuthbertson on Hervey avenue.

Ban School Bus Use to Plunge

Upland school district busses may not be used to transport boys and girls from the recreation center at the Elementary school to the Chaffey plunge, the office of defense transportation wrote Harold W. Cook, superintendent of Upland schools.

Teenagers using the recreation center facilities have been going in groups to the Chaffey plunge Tuesday and Thursday mornings and have been using the commercial bus line between Upland and Ontario.

Last year complaints were made that the large number of youngsters using the commercial bus crowded it unduly, and transportation by school busses was sought this year.

Use of the school busses for such purposes is prohibited, Joseph D. Naylor of the O.D.T. at Los Angeles wrote, adding that schools doing so place themselves in danger of jeopardizing allotments of miles and gasoline.

Though shipments of the southern California valencia crop were slow in starting, the volume is now ahead of normal; 15,100 cars were shipped by the first of July compared to 12,400 by that date last year.

EXITO EN LA REUNION

Toda persona presente en la reunion del Concilo Local del Movimiento Mexico-Americano el viernes 6 de los Corrientes se sintio orgullosa al haber tenido la gran oportunidad de conocer a distinguidos personajes quien fueron visitantes a esta. A. W. GALENTINE

Fo Thomas Bride ir Corps Officer hurch Wedding

15 ly Vista Community church, 20 ly Hills, Miss Patricia L. as, daughter of Mrs. Lester we of Balboa Island and the Earl C. Thomas, Upland, be- the bride of Lt. Terrell L. son of Mr. and Mrs. Stanley of Elsinore.

. Stewart Hill read the double service at 8 o'clock in the ence of about 250 relatives friends.

askets of white gladioli and k decorated the altar, and ught iron candelabra wound maidenhair fern and white denias lighted the center aisle vn which the wedding party ne, led by the little flower girl, ly Sage of Upland.

The bride given in marriage by r step-father, Dr. Lowe, was wned in heavy white slipper tin fashioned with fitted bodice d full skirt and train. Her ger-tip veil fell from a Juliet p of Duchess lace, and she car- ed a bouquet of white orchids and stephenotis. Mrs. Robert Value of Hollywood was matron of honor, and the bridesmaids were Miss Betty Cohn of Upland and Miss Betty Ann Angel of Long Beach. They were dressed alike in white satin and net, with off-the-face hats of horse-hair and satin. Mrs. Value carried American Beauty roses and the bridesmaids' bouquets were of rose gladioli. The flower girl was similarly dressed and she wore Sweetheart roses in her hair.

Attending the groom as best man was his brother, Gayne Root. Ushers were Robert Gibson of San Fernando and Tommy Thomas, brother of the bride.

Following the wedding ceremony, a reception was held at the church, where the bride's mother received the guests in a gown of beaded turquoise crepe, with burgundy baby orchids in her hair. The groom's mother was in beaded poudre blue, and her corsage was of Sweetheart roses.

After the bride had cut the first slice of the four-tiered wedding cake, her aunts, Mrs. Nell Koch of Claremont and Mrs. Clarence Stevens of Corona, assisted in serving. After the reception, another party was held at the Beverly Wilshire hotel.

The bride, a native of Upland, was graduated from Chaffey high school and attended Pomona college. She is now a student at the University of California at Los Angeles, where she is a member of Delta Gamma sorority. Lt. Root also attended Pomona college and received his degree at Yale University. He is stationed at Sheppard Field, Wichita Falls Texas.

The newlyweds left for Texas, planning to stop at Grand Canyon. Lt. Root expects to be sent overseas in a short time, when Mrs. Root will return to her studies at the university.

Installation Will Feature Meeting of Silver Link Lodge

Mrs. Donald A. Hill, recently elected noble grand, Mrs. Watts M. Cate, vice-grand, and the staff of appointive officers of Silver Link Rebekah lodge will be installed during the regular lodge meeting Friday evening at 8 o'clock in the I. O. O. F. hall, according to anouncement by the retiring noble grand, Mrs. Homer T. Washburn

Installation ceremonies will be conducted by Mrs. Marguerite Nelson, district deputy president, and her staff from the Claremont lodge.

A social hour will conclude the evening and refreshments will be served. The July committee is composed of Mrs. W. E. Walk, Mrs. J. W. McConkay, Mrs. Charles O. Deverts, Mrs. William F. Goalby and Mrs. Maurice Junod. The meeting is open to the public.

As-We-Like-It Club Meets With Mrs. F. W. Palmer

Discussion of several prophets of the Old Testament formed the program for the meeting of the As-We-Like-It Study club Friday morning at the home of Mrs. F. W Palmer, 376 North Euclid avenue. Mrs. Mary A. Eckerman acted as leader.

Others present were Miss Sinabel Hart, Mrs. Franklin M. Baxter, Mrs. W. F. Kitchel, Mrs. Ashby Powell, Mrs. Edith Crane, Mrs. Etta Johnston, Mrs. L. T. Vedder, Mrs. E. A. Magill and the hostess.

Eastern Star Honors Worthy Matrons and Patrons of District

About 100 members and visitors from other chapters in the district were present at the "Matrons and Patrons Courtesy Night" meeting of Upland chapter, Order of Eastern Star, last evening in the Masonic hall, with matrons and patrons of other chapters filling the various stations.

Mrs. Edith Mabon of Orange Blossom chapter, Fontana, served as worthy matron and James Nisbet of Pomona chapter as worthy patron. Mrs. Lloyd E. Gilmore, worthy matron of the local chapter, presided over the business session.

Following the chapter meeting, the group adjourned to the dining hall, where a skit was presented by the Upland officers. Refreshments were served under the direction of Mrs. Donald Hill, hostess for the evening. Table decorations were in keeping with Independence Day, with large firecrackers holding the flowers, and appropriate favors.

Though California ranks first in agricultural income, it is 27th in the percentage spent on agricultural research.

The shortage of labor in the California citrus belt is being lightened by the arrival of men from the Island of Jamaica.

BIRTHS

SAN ANTONIO COMMUNITY HOSPITAL

Mr. and Mrs. Lawrence Hawk, 385 East Eleventh street, became the parents of a baby son Friday.

It's a girl for Mr. and Mrs. Leo D. Welch, 604 West Nevada street, Ontario. He arrived Sunday afternoon.

A son was born to Flight Officer and Mrs. James D. Jay, 876 Ramona avenue, Alta Loma, Sunday morning.

Mr. and Mrs. Juan Martinez, 550 Center street, Cucamonga, are the parents of a baby daughter, born Sunday afternoon.

It's a girl for Mr. and Mrs. Raymond Shinn, 406 North Ninth avenue. He was born yesterday afternoon.

A son was born to Pfc. and Mrs. Martin J. Sweeney, 403 Parkside, yesterday at 6:30 p.m.

A daughter was born to Mr. and Mrs. Roal Clevenger, 222 South Vine avenue, Ontario, Friday evening.

Mr. and Mrs. George Guidera, 340 East Foothill boulevard, Cucamonga, became the parents of a baby son Friday afternoon.

GREEN MEMORIAL HOSPITAL

Mr. and Mrs. John E. Baker, 467 East Eleventh street, are the parents of a baby daughter, born Saturday morning.

A son was born to Mr. and Mrs. Lawrence Adams, 288 South Cypress avenue, Fontana, Sunday afternoon.

LT. WALK LEAVES

Lt. William E. Walk left Upland today for the Pacific war theater where he will report as staff officer to Vice Admiral W. W. Smith of the service force, Pacific fleet. Lt. Walk has completed a three-year tour of duty with the Atlantic fleet on the staff of Vice Admiral S. A. Laffinder.

Lt. Walk spent an 18-day leave with his parents, Mr. and Mrs. W. E. Walk, 221 South Euclid avenue and Mrs. Walk's mother, Mrs. Minnie Emmons. During Lt. Walk's absence his wife and daughter will remain with her mother in Ontario.

Upland has many advantages. Try Upland stores first.

Rainfall Here Sunday Was Just a Trace

According to the "man in the street," it rained in Upland Sunday morning, but the rainfall has been lost and there is no record of it.

People who were there report rain fell shortly after midnight Saturday.

At Liberty Grove Operating company, the rainfall was so thin it left only a trace and was not sufficient to measure.

At the San Antonio Heights ranger station, the rainfall Sunday made no impression.

Instruments at both locations show no rainfall yet this season since July 1.

San Antonio Heights League Will Meet Thursday in Canyon

The home of Mr. and Mrs. O. L. Daily at the power house in San Antonio canyon will be the setting for the monthly meeting of the San Antonio Heights Community league Thursday evening, it has been anounced by the president, Dr. Charles B. Taylor. A contributed dinner will be served at 6:30 o'clock.

For the program, Arthur J. Reeder, program chairman, has promised a return engagement of Alva Brower of Pomona, ventriloquist, who was such a success when he appeared a year ago.

Majority of Women Now Employed Expect To Continue Working

(By C.N.P.A. Service)

The great majority of women now employed in the Los Angeles area expect to continue to work after the war. This is indicated in preliminary returns in a survey now being made in more than 2,000 industries and businesses in Southern California, according to Morris B. Pendleton, regional director for the Committee for Economic Development. The poll asked the women:

Do you intend to continue working after the war has ended?

The response is, Yes 60.5 per cent; No 37.2 per cent; Undecided 2.3 per cent.

Of those responding, 38.8 per cent prefer to continue in present occupation; while 21.7 per cent prefer their pre-war jobs.

The average age of women who intend to continue working is 36 years of age. Fifteen per cent of these have dependents. Those who plan to discontinue working average 32 years of age. Eight per cent of these have dependents.

Heading the groups associated in the survey is Emma Quigley chairman of the Women's Division of the Committee for Economic Development.

About People

Dr. and Mrs. S. L. McKellar of San Diego, wer weekend visitors at the home of Dr. and Mrs. W. R. Farmer, 446 North Campus avenue. Dr. Farmer and Dr. McKellar were classmates in the U.S.C. dental college.

Santos Guiterrez, 746 Twenty-fourth street, Cucamonga, entered San Antonio Community hospital Friday for medical attention.

Mr. and Mrs. William T. Schaffner, 970 West Eighteenth street, had as guests Friday Mr. Schaffner's sisters, Miss Edith Schaffner and Mrs. Lincoln Holland, who came out from Los Angeles for the day.

Miss Ruth Martin of 239 North Euclid avenue is a patient at Green Memorial hospital, where she is a member of the nursing staff.

P. W. Reed, 1220 Myrtle drive, submitted to surgery Friday at Green Memorial hospital.

Fred Clowes, 518 North Eighth avenue, is a patient at Green Memorial hospital, where he underwent surgery on Friday.

Geoffrey Raymer of Houston, Texas, who is visiting his daughter-in-law, Mrs. G. T. Raymer, 494 North Campus avenue, was admitted to San Antonio Community hospital Friday for medical care.

Reed Hansen, two-year-old son of Mr. and Mrs. Edward K. Hansen, San Antonio Heights, submitted to a tonsillectomy Friday at San Antonio Community hospital.

Robert Murke, son of Mrs. Eleanor Lowery, underwent major surgery Sunday at San Antonio Community hospital.

Mrs. Elizabeth Moore, who makes her home with her son-in-law and daughter, Mr. and Mrs. Earl H. Johnson, 418 North Laurel avenue, is receiving care at San Antonio Community hospital. She suffered a fall at the Presbyterian church last Thursday and injured her back.

Dorothy Davis, daughter of Mr. and Mrs. O. D. Davis, San Antonio Crescent East, San Antonio Heights, submitted to a tonsillectomy Friday at San Antonio Community hospital.

Predict Big Demand For Baby Chicks

Chicks hatched during the next two to three months will not lay eggs until the spring of 1946.

"Early hatched chicks lay the winter eggs, and this year early hatchings were short," says W. E. Newlon, Extension poultry specialist of the College of Agriculture. This year, he points out, February hatchings were 16 per cent below 1944 and March hatchings 8 per cent below. Since April, the hatchings have been larger than last year.

"The demand for baby chicks in San Bernardino County has far exceeded the supply in the last 30 days," says J. P. Hertel, assistant farm advisor. Some hatcheries are sold out four to six months in advance. Consumers are unable to buy eggs at the store whenever they wish. This condition will be much more serious by October and November this year. No doubt the shortage of eggs will cause many people next year to breed chicks and raise backyard flocks in order not to be caught short in the fall and winter supply of 1946.

Hertel predicts that the largest demand for baby chicks in the history of the county will occur next spring.

Though California led the nation in gross farm income in 1944, this does not represent net income; annual costs of high-producing citrus groves often exceed $200 per acre.

Upland Children Plan 'Pow-Wow'

Upland boys and girls will light a big bonfire on the Upland Elementary school grounds soon to celebrate "Pow Wow" day, it was agreed at a "council of war" last Friday.

Around the campfire they will have a war dance, an Indian tournament, wrestling, archery contests and a field display of Indian handicrafts.

The "Pow Wow" date has not yet been decided, but plans are to make it a really big celebration.

The Indian program is sponsored by the Upland summer recreation project under the direction of Miss Angelene Athan. At the meeting last Friday, Miss Esther Ziegler's "Little Theater" group presented "Scarface" in pantomime.

Starting this afternoon, a bicycle track will be provided every Tuesday and Thursday from 3:30 to 4 o'clock to permit boys and girls to ride bikes on the school playground.

Fifty-five children have been going in groups to the Chaffey plunge Tuesday and Thursday mornings, and plans were made Friday to have a water carnival with races and exhibitions.

In arts and crafts, children are weaving head bands and belts on Indian looms. During the noon hour each day, there is a reading period, and the book is "Adventures of Tom Sawyer."

Paul Bodenhamer, Editor of Redding Paper, Visitor

On his first vacation in several years from the editorial desk of the Redding Record-Searchlight, Paul Bodenhamer visited here last week with his parents, Mr. and Mrs. Paul Bodenhamer, Mountain avenue and Twenty-first street. He was accompanied by his wife and two children. They returned on Monday to Redding.

Mr. Bodenhamer, who distinguished himself while at Chaffey and at U. S. C., is in charge of the daily newspaper published in the northern city. While here he visited at the office of The Upland News.

Accident Suit Tried In Township Court

An accident occurring last October 13 at Second avenue and Eleventh street in Upland was the subject of a civil trial today in Judge Fred H. Jacobs' court.

Leon D. House and Rocco Albanese, drivers of the automobiles involved in the collision, filed cross complaints.

The hearing began at 10 o'clock was continued this afternoon with about 10 witnesses testifying.

21 Registered in Upland Nursery

Registration in the nursery operated by the Upland summer recreation directors sponsored by the Upland Parent-Teacher association has been increasing steadily day by day, Miss Angelene Athan, playground director, reported today.

Attendance this morning was 21 children, rising from 13 last week.

The nursery is open from 9:15 a. m. until 12:15 p. m. and can accommodate 100 children three to six years of age.

RECIPES

This summer when your family says, "Let's have a picnic" will you be prepared to "pack up your supper in your picnic bag?" If the gas book doesn't hold out, try a back yard Barbecue Supper of your own—in case you have no barbecue, a small bon-fire with a metal rack placed over bricks serves as a grate and will roast corn on the cob, hot dogs or toast buns.

For that Picnic Bag, try this SURPRISE MEAT LOAF which can be served hot or cold, and furnishes something different with a surprise decoration in every slice.

Parboil until limp 3 or 4 seeded green peppers. Hard-cook the same number of eggs; peel; wrap the eggs tightly in the parboiled peppers. Half fill a well greased loaf pan with your favorite meat loaf moisture; place the eggs, end to end, down the middle of the pan. Pack the remainder of the meat-loaf mixture into the pan, keeping the eggs in place. Bake in a moderate oven (350 degrees F.) for about 1 hour, or until done. Serve hot or cold.

Eighteen locomotives, built in 92 days, recently were flown to Burma in the first air-locomotive flight in history.

Mrs. Perrin Dies In Los Angeles

Mrs. Ethel M. Perrin, 885 South Benson avenue, Ontario, wife of Charles A. Perrin, head of the agriculture department at Chaffey high school and college, passed away Saturday afternoon at White Memorial hospital in Los Angeles, where she had been taken a few days earlier following a cerebral hemorrhage.

Born in Plymouth, Ohio, Mrs. Perrin came to California 47 years ago, going to Pomona where she resided until coming to Upland in 1915. The Perrin family moved to their ranch in Ontario in 1930. Mrs. Perrin was an active member of the Upland Methodist church and the Advance class of the Sunday school, and was also active in work at the USO center and Ontario rationing board.

Surviving Mrs. Perrin besides her husband are a son, Robert Clark Perrin, now serving with the air transport command in China; a daughter, Mrs. C. W. Lloyd (Ruth Perrin) of Ontario; a sister, Mrs. W. S. Cahoon, of Pomona, and two brothers, Glenn R. Clark of Ontario and G. E. Clark of Pomona.

The Stone funeral home is in charge of funeral arrangements, which are incomplete.

Upland has many advantages.

Political Parade

By CLEM WHITAKER

"Our next President!"

When enthusiastic well-wishers yelled that political greeting at General Dwight D. Sisenhower during his triumphal home-coming tour, smiling, unspoiled General "Ike" ducked his head, as he might at the whine of a passing shell.

Running for President is NOT one of his post-war objectives, Geenral Eisenhower made it clear to his friends, but he deftly sidestepped a formal denial of presidential ambitions, declaring:

"There's no use denying that I'll fly to the moon because couldnt if I wanted to. The same goe sfor politics."

The modest, unassuming Kansan, whose brilliant generalship upset all Nazi time-tables and speeded Hitler's undoing, has become such a popular hero throughout America, however, that many Republican leaders are predicting an Eisenhower - for - President boom will sweep the country in 1948, even if the General refuses to consider himself as presidential timber.

There is a great deal of political precedent for an Eisenhower boom in the pages of American history and one doesn't have to go back to General Washington, "The Father of his Country," to find it.

After the Civil War, the Republicans nominated and elected General Grant in 1868 and again in 1872. Then, in 1876, the GOP nominated and elected Maj. General Rutherford B. Hayes. Again, in 1880, they nominated and elected General Garfieldand in 1888 they did it again, nominating and electing General Harrison. Major McKinley, another Civil War veteran, and Col. Theodore Roosevelt, whose "Rough Riders" won fame in the Spanish-American War, were other miltary men who carried the GOP standard to victory in famous presidential campaigns.

As a matter of fact, after every war that this country has fought, with the exception of World War I, military leaders have been the Nation's outstanding political leaders—and the votes of service men and women, following World War II, will represent a greater percentage of the total voting strength than at any other period in American annals.

There are admitted drawbacks to making military heroes political heroes, solely on the basis of their war records, as some notable failures of soldier - statesmen have demonstrated. On the other hand, some of the ablest occupants of The White House first won national acclaim on the battlefield. The main lesson to be learned from experience is that it isn't safe to generalize on whether military men make good in high administrative offices. Some do—and some don't.

The odds seem to be in General Eisenhower's favor, based on his handling of the ticklish problems of European diplomacy thus far—and also on his handling of himself during his appearances in this country. He has proved to be this Nation's most popular representative in dealing with the British, French and Russian people—and certainly has won the hearts of the American people. Politically-speaking, the General will bear watching!

It is vital above all that we establish policies which the American people understand and believe in, because without this condition public opinion before long will simply demand that we come home and leave Europe stew in its own juice.—Senator Homer Ferguson Michigan.

Industries Seek Assessment Cut

Reductions in assessed valuations are sought from the county board of equalization by five major industries in the county.

The Kaiser Co. has protested its assessment of $15,189,000 and is asking a levy of $8,000,000. The 1944-45 assessment for the steel mill was placed by the supervisors last year at $10,000,000. Max Cranmer, the assessor, however, placed the valuation at the higher figure for this year.

Other industries seeking valuation reductions are the American Potash and Chemical Corp., Trona; Portland Cement Co., Colton; Southwestern Portland Cement Co., Victorville and the West End Chemical Co. in the Trona district.

The five industries have joined in engaging Wiliam Guthrie and Donald W. Jordan, San Bernardino attorneys, to present the reduction request.

Ellery F. Wright

• For Check-up • Lubrication
• Tires • Gasoline • Oil

—o—

It's not a large organization but it is big enough to have men who are specialists in their line.

It is big enough to have all the modern equipment—and it is small enough to give personal attention and for the employes to have a personal interest in each customer.

Since ELLERY WRIGHT is the Ford dealer, I have confidence in his employes, in their training and in the tools, equipment and parts they use.

I believe that all Ford dealers are thinking of the present and the future. They want to thoroughly satisfy every customer . . . . now as well as in the future.

It is a long-time business program and I know that Ellery Wright is very anxious to please . . . . and I know that his employes are very capable, efficient and give good service.

His address is 310 East Ninth Street, Upland.

Ford

Per Capita Tax Levy In County Reported At $32.45

Average property tax levy for each person in San Bernardino county was $32.45 for 1944-45, compared with $31.29 for 1943-44, California Taxpayers' association said today, making public its analysis of per capita property tax levies in California counties.

Total property tax levy in the county reached $7,184,385 for 1944-45, compared with $6,350,99 for 1943-44. Population of the county is estimated at 221,400 for January 1, 1945, and at 203,000 for January, 1944, the association said.

Under government order, every organge packing house in California must set aside a specified percentage of its fruit each week to meet military export needs which will be nearly 100,000 boxes of southern California valencia oranges weekly.

Col. Schneider Here on Visit

Col. Joe G. Schneider arrived in Upland Friday for a week's visit with friends and relatives.

He is the son of Mr. and Mrs. Alfred Schneider, 540 F street. He was accompanied here by his wife and their 18 months old daughter, Susan.

Col. Schneider's home has been in Upland or Ontario for 25 years and he attended the Chaffey schools. He enlisted in the army about nine years ago, then worked as pilot for a commercial air line company, and, when Japan attacked Pearl Harbor, reenlisted in the army air forces.

He was stationed first at March Field, then at Selfridge Field, Mich., and was then sent to Alaska. Recently he has been on duty at Washington, D. C., and expects to be transferred to a station on the west coast. He will here a week.

Citrus Pest Control For Mottled Leaves Urged During July

July is a good month for citrus growers to make arrangements for summer pest control, according to the county agricultural extension service.

Trees showing large irregular yellow mottled areas in the leaves are suffering from zinc deficiency and owners should include zinc oxide in the spray liquid.

When zinc has been applied each year, applications of one-fourth pound of zinc oxide to 100 gallons of spray should be adequate, the announcement says. Standard zinc oxide spray is one and one-half pounds and three-fourths pound soda ash to 100 gallons of spray.

For severe mottle leaf, better results may be obtained by a zinc sulfate spray alone, to be used at the rate of five pounds zinc sulfate, two and a half pounds of soda ash or hydrated lime to 100 gallons of water, the service states.

CHURCH GROUP TO USE SOUND TRUCK

Permit was granted by the Upland police department this morning to Chino California company of Jehovah's Witnesses to operate a mobile sound unit in Upland next Saturday between 10 a. m. and 1 p. m. to announce a religious service July 15.

RECORDER'S FEES AT RECORD HIGH

Recording fees for the fiscal year 1944-45 were the largest in history, increasing $5,595 in the past year, County Recorder Ted R. Carpenter reported. Fees Collected in the past 12 months amounted to $75,356, compared to $69,661 the preceding year.

Production of winter grapefruit in Arizona during the season now closing will make up three-fourths of the California-Arizona total.

Shipment of California - Arizona oranges in the eight months ending July 1st set a new record of 65,000 carloads—nearly 30 million boxes!

Los Angeles is the third most important fruit and vegetable market in the nation; in 1944 it absorbed the equivalent of 71,838 railway carloads.

News Discontinued To Servicemen In Navy, Marine Corps

In accordance with a new order from the postmaster general, The Upland News has had to discontinue sending copies of its paper to all service men who get mail with a "Fleet Post Office" address.

The order became effective July 1.

The order specifies that no papers may be mailed unless those in the armed forces write for the paper and subscribe for it. In the past, The News management has been sending the papers without charge men in the armed forces whose address was supplied.

This policy will be continued for all persons in the army. The order prohibiting this service concerns only those men in the navy, marine corps and coast guard.

No Baby Clinic To Be Held This Week

The baby clinic, usually held on Friday, will not be conducted this week.

Mothers who were planning to bring their youngsters to the Upland Elementary school building, are advised by Mrs. Lloyd Gilmore that the clinic will be announced for a future date.

Norman Lawson To Be Speaker at Lions

Norman S. Lawson, Upland citrus grower and active head of an industrial plant in the Los Angeles metropolitan area, will be the speaker at the Upland Lions club meeting at noon Thursday.

NEWS of MEN AND WOMEN IN UNIFORM

ELSA STAMM NESSLER PROMOTED IN WAVES

Promotion of Mrs. Elsa Stamm Nessler of Upland from ensign to lieutenant junior grade was announced by the Waves.

She is the daughter of Mr. and Mrs. George T. Stamm, 1291 North Euclid avenue, and is stationed at Washington, D. C. Her husband, Lt. Curtis T. Nessler, is in the South Pacific.

Her brother, Warrant John Stamm, is now stationed at Camp Gordon Johnston, Fla.

EUGENE MINIKEL DISCHARGED ON POINTS

Technical Sergeant Eugene A. Minikel of Cucamonga has received a discharge from the army air forces on points after serving a year overseas.

As a gunner on a B-17 flying fortress, he won a distinguished flying cross, air medal, three oak leaf clusters, five battle stars regimental citation and a good conduct medal, accumulating 102 points.

He is the son of Mr. and Mrs. Arnold Minikel, 1940 Arrow highway, Cucamonga. His wife, Marie, and their daughter, Kathleen Jean, six months old, also reside at Cucamonga.

His brother, Pfc. Arnold Minikel, Jr., is with the army artillery in the Philippines, and his sister, Miss Alice Mildred Minikel is a seaman second class in the Waves in Virginia.

MARTIN DISCHARGED

Pfc. Eugene R. Martin, son of John M. Martin, 168 North First street, has been discharged from the army on points.

He accumulated 104 points and has four invasion stars, the liberation of the Philippines badge and the combat infantryman's badge. He served in Hawaii, Gudalcanal, New Britain and on Luzon island.

FREEMAN WOUNDED

Pvt. Charles N. Freeman of Alta Loma has been seriously wounded, according to a war department announcement.

His wife, Mrs. Ruby Freeman, and their children, Nancy, 8, Barbara, 7, and Ronnie, 3, reside at 182 Monte Vista street.

Pvt. Freeman was one of 100 picked soldiers sent to Hollywood to portray American troops in the Italian campaign in the filming of an Ernie Pyle book, "Original G. I. Joe."

The war department reported Pvt. Freeman's shoulder bone was shattered in two places but added he is recovering and may be sent home. He has been in the service one year, since last July 10, and went overseas March 1.

LT. BRAY HONORED

Marine First Lieutenant Rodney C. Bray, 23, whose wife, Mary, lives at 122 North Euclid drive, Upland, recently was awarded the Air Medal at Okinawa for "meritorious acts" as a fighter pilot during initial phases of the air battle for possession of the Jap stronghold, the Marine Corps announced today.

Overseas the past 10 months, the young flyer was among the first leatherneck flyers to operate from the airport captured by Marines on Easter Sunday morning. His air group has accounted for over 170 enemy planes, of which he is credited with destroying one.

BOB NICHOLS LEAVES

Enlisting in the navy about three weks ago and successful in passing the Eddy test, Bob Nichols, son of Mr. and Mrs. Frank Nichols, left Friday evening for Chicago where he will begin boot camp training at the Great Lakes Training station. After that he will have a three weeks' pre-radio course. Young Nichols was a student at Chaffey high school.

LT. SANDOVAL COMING

First Lt. Jesus A. Sandoval, 21, son of Mr. Baudelio Sandoval of 1378 East Ninth Street, Upland, will arrive in the United States after completing numerous combat missions in Europe, it was announced by his wing commander, Brig. Gen. Fay R. Upthegrove of Olean, N. Y.

Lt. Sandoval's group will undergo a period of special training before embarking to the Pacific theatre to carry the strategic air war to the Japanese.

ACOSTA DISCHARGED

Pfc. Frank Acosta, husband of Dora C. Acosta, 545 "G" street, Upland, was honorably discharged from the army this week at Mitchell Convalescent Hospital, Camp, Calif., where he has been a patient. An infantry mortarman, Pfc. Acosta served 10 months in the European theater. He was awarded the Purple Heart and the European Theater of Operations ribbon with one bronze battle star.

HERMAN CORDES JR. HERE

Herman Cordes, Jr., was home over the weekend for his first visit with his parents since joining the navy. He is the son of Mr. and Mrs. Herman Cordes, West Twentieth street. Stationed at San Diego, he joined the navy early last month.

Men discharged from military services on points register at their selective service boards. These include Cipriano G. Hernandez, Hershel C. Shoemaker and Philip R. Martinez, Upland; Refugio Sanchez and Frank Smiderly, Cucamonga, and John T. Graciano, Ontario.

Sgt. Hernandez was Upland's first selective service inductee and served four and one-half years, including duty in the China-India-Burma theater. He is the son of Mr. and Mrs. Blas Hernandez, 609 North Campus avenue.

D. Eugene Burks and James L. Guion, Upland, and Floyd T. Moore, Alta Loma, recently received honorable discharges.

LT. ROEBEN IN U. S.

Lt. Walter Roeben telephoned his mother, Mrs. Emilie Roeben, from New York Saturday afternoon, a short time after he landed in the U. S. from Europe. A prisoner in a German camp at the time of the Allies' victory, Lt. Roeben has been awaiting transportation. He is also recovering from an attack of malaria.

Mrs. Roeben said her son would arrive soon at Camp Beal, Calif., and would then come here on a 60-day leave.

LT. HADZIMA LEAVES

Joseph G. Hadzima, who recently graduated from West Point military academy with the commission of second lieutenant, was in Upland last week to visit his mother, Mrs. Marie Hadzima, Rosedale curve. He left Friday to report to the army engineering corps at Belvoir, Va.

ETIWANDAN ENLISTS

John N. McLean, Jr., Etiwanda, enlisted in the navy last month at San Bernardino recruiting station.

U. S. NEEDS LIBRARIANS, VETERINARIANS

Veterinarians and librarians are needed by the United States government, the civil service commission announces. Information and application forms may be obtained from Harvey McMasters, commission secretary, at Upland postoffice.

The nation's orange supply during the seven weeks ending June 30th, averaged 1,100 cars per week less than a year ago, reports the California Fruit Growers Exchange. This was due to the early termination of the Florida season, as California shipments were greater than last year.

Company D After 30 New Members

Upland's Company D of the California State Guard is revruiting new members to bring the organization to full strength, Fir Lt. Allen S. Barr reported today.

State guard companies throughout the west are increasing their numbers to be prepared in the event Japanese bomb balloons fall.

Lt. Barr disclosed that about 30 new members are needed by the Upland company to bring it to full strength. The guard, a company of the first battalion, twenty-eighth regiment, meets Wednesday ecenings at 126 Second avenue.

Uplanders desiring to enlist or wishing further information are invited to attend tomorrow's meeting, Lt. Barr said.
